**401k/IRA and Annuity owners, you could lose up to 50% to the IRS!
What if your 401k/IRA's are robbing you of your retirement!
Find out strategies and secrets the IRS wishes you never learn!**

Are your Variable annuities, Variable life insurance or stocks chipping away at your hard earned savings? Attend, **BIG mistakes 401k, IRA and Annuity owners make™**, a free, educational work shop from GenWealth Financial Services.

If you are concerned about your precious investments going up and down like a pogo stick you do not want to miss this seminar

There are things you can do right now to help protect your hard-earned money from evaporating during volatile and unpredictable times – But you must act now before your money is gone!

If you currently have a 401k, IRA, Stocks or Variable annuities or Variable life insurance and between the ages of 40-61 then this is a seminar you can not afford to miss. Financial strategist Manuel Negron will teach you the **"The 6 Biggest Mistakes 401k/IRA and Annuity owners make"**. Expect to learn:

1. Why you should never have a 401k/IRA or Annuity when you die!
2. How failing to make your RMD's could cost you up to 83%!
3. Why not seeking professional advice is keeping you in the dark!
4. A false sense of belief that you'll be in a lower tax bracket at retirement. You may be in a higher one!
5. Not truly understanding the tax treatment of 401k/IRA (qualified plans)
6. Not understanding the difference between "average" and "actual" rates of return

Your host and speaker for this dinner event will be Manuel Negron, CEMA, CMA and author of "Living Debt Free and Truly Wealthy". Manuel's firm is committed to helping Utah residents make informed decisions regarding their financial futures. And remember, he will help you apply these strategies to your financial and investment goals using assets you currently possess.
